Construction

The main body of this cardigan is created from a rectangle, which is worked as follows:

1. Crochet a square and rotate so that you are looking at it as a diamond shape.
2. Work extra rows on left and right sides, to add width.
3. At each side, work decrease rows to finish off each corner and form a rectangle.

Once the rectangle is done, finish off the cardigan as follows:

1. At left and right sides, fold top and bottom corners inwards so that they meet in the middle.
2. Create armholes by seaming edges where they meet.
3. Work sleeves and collar.

F. BOTTOM LEFT CORNER

Repeat as for C. TOP RIGHT CORNER.

G. TOP LEFT CORNER

Repeat as for D. BOTTOM RIGHT CORNER.

ARMHOLES

Lay rectangle flat with WS facing you.

- On the left hand side, fold the top and bottom corners towards the middle of the rectangle so that they touch.
- Repeat on the right hand side.
- Using the long tails from D. and G. above, seam the top and bottom edges where they meet using the mattress stitch.
- Leave a gap of approx. 5 (5, 6, 6) rows on either side for the armholes.

SLEEVES

With RS of sleeve facing you, join yarn at the seam.

EDGE ROUND: Ch 1 (*does not count as a st*), sc evenly around armhole, sl st to join to beg sc.

Note: *you don't need to be too concerned with the number of stitches in this round; just work evenly all around the armhole.*

Ribbed Sleeve

ROW 1: Ch 26, sc in second ch from hook and in each ch until you reach the armhole, sl st to join to next armhole st.

ROW 2: Sl st to next armhole st, turn, sk 2 sl sts, sc (blo) in each st across, turn.

ROW 3: Ch 1, sc (blo) in each st across, sl st to join to next armhole st.

Repeat previous 2 rows until you have worked a row for each armhole st. **Note:** *it doesn't matter if you end on row 2 or row 3.*

Cut yarn and fasten off. Leave a long tail (for seaming).

Turn cardigan inside out and whip stitch sleeve edges together using the long tail.

Repeat for second sleeve.

COLLAR

Looking at the front of the cardigan, find the armhole seam line on the left hand side. Join yarn to the body opening approx. 6 (6, 8, 8) rows below the seam line.

EDGE ROUND: Ch 1 (*does not count as a st*), sc evenly along body opening, sl st to join to beg sc.

Note: *as with the sleeves, you don't need to be too concerned with the number of stitches in this round; just work evenly all along the edge of the body opening. (It is better to have more rather than less stitches – spacing out your stitches too much will cause the body opening to pull in.)*

Mark collar start and end points

Collar start point is the same position as the end of the edge row. Use a stitch marker to mark collar end point on the opposite side of the body opening.

Ensure that you have an **even** number of stitches between the two marked points (along the top edge of the body opening).

Ribbed Collar

Collar is worked using the same technique as the ribbed sleeves.

ROW 1: Ch 2, sc in second ch from hook, sl st to join to next edge st. **[1]**

ROW 2: Sl st to next edge st, turn, sk 2 sl sts, 2 sc (blo) in first st, turn. **[2]**

ROW 3: Ch 1, 2 sc (blo) in first sc, sc (blo) in next st, sl st to join to next edge st. **[3]**

ROW 4: Sl st to next edge st, turn. Sk 2 sl sts, sc (blo) in each st across until 1 st rem, 2 sc (blo) in last st, turn. **[4]**
